PROFILE

Full Stack Developer with a strong ability to create responsive and interactive web applications utilizing the MERN and Next.js stacks. My background includes substantial hands-on experience and a deep understanding of Data Structures and Algorithms. I've developed platforms like Byte-Code, Renzaar, and StikBit, showcasing my skills in Web Developement.

PROJECTS

Byte-Code | MERN Stack, Responsive Web Design   09/2025 – 10/2025
- Byte-Code is a full-stack interactive learning platform with support for multiple programming languages
  -Developed 'Byte-Code', a interactive learning platform using the MERN stack
  -Implemented live code execution, gamified XP-based progress tracking
  -Enabled dynamic pagination, user authentication, and advanced data storage
- Link: Byte-Code 🔗

Renzaar | Next JS, Three JS, Firebase   08/2025 – 09/2025
- Renzaar is a web app where creators showcase and sell gaming assets
  -Built 'Renzaar', a full-stack web app for gaming assets using Next.js
  -Implemented secure authentication and real-time asset management
  -Enabled creators to upload, showcase, and sell 3D models and textures
- Link: Renzaar 🔗

StikBit | MERN Stack, Responsive Web Design   07/2025 – 08/2025
- StikBit is an e-commerce platform with a responsive UI and smooth UX
  -Implemented product management, and dynamic shopping cart
  -Integrated RESTful APIs and optimized backend queries for faster product loading and efficient order handling
- Link: StikBit 🔗

TECHNICAL SKILLS

Languages
C++, Java, JavaScript, C#

Technologies/Frameworks
React JS, Node JS, Git, GitHub, Ubuntu, Arch, Next JS, MongoDB

Skills
Data Structures and Algorithms, Scripting in JavaScript, 3d Game Development

EDUCATION

Computer Science and Engineering - CGPA: 7.89   2023 – 2027
Lovely Professional University Punjab   Jalandhar, Punjab

12th with Science - Percentage: 75.60%   2022 – 2023
Kendriya Vidyalaya BHEL Haridwar   Haridwar, Uttarakhand

10th with Science - Percentage: 88%   2020 – 2021
Kendriya Vidyalaya BHEL Haridwar   Haridwar, Uttarakhand

CERTIFICATES

- Unity Junior Programmer
- CRUD Operations in MongoDB
